

## **JAD Angus**

**John & Ann Dockweiler  
28 Redfern Rd.  
Chadron, NE 69337**

**[www.jadangus.com](http://www.jadangus.com) [jadangus@bbc.net](mailto:jadangus@bbc.net)**

**308.430.8244**

**SALE:** The sale will be held at the Dawes County Fairgrounds at 1:00 MST on Friday, December 1, 2023.

**VIEWING:** Bulls and heifers will be located at 215 Pineview. They will be penned for easy viewing from 9:00 – 11:30. Videos will be linked on the website prior to the opening day. Please check [www.jadangus.com](http://www.jadangus.com) for additional announcements and information.

**PARTICIPATION:** Four options:

1. Come look through the cattle and make your selections. Then join us at the fairgrounds at 1:00 MST. You can offer your bid as we proceed through the sale order.
2. Notify us of which lots you are interested in, and we will call you when that lot is being sold. You can bid live via telephone.
3. Leave your order with Ann or I and we will have someone bid in your absence.
4. We will offer an online option to participate via Zoom. If you are interested you can sign up on our website and we will provide more information.

Whether you attend in person, are on the phone, online, or leave your bid; this sale is conducted in a straightforward, transparent manner. Bids are never misused in any way and your trust is of utmost importance to us.

All bulls will be base priced at \$3500. Heifers will be based at \$1800.

**SEMEN INTEREST:** John & Ann Dockweiler Angus will retain a semen interest in every bull selling.

**DELIVERY:** Bulls: The first 150 miles is free, remainder at cost. Heifers: At cost.

**HEALTH:** All bulls will have passed a semen test. The non-virgin bulls will be tested free of trichomoniasis. Heifers had Vision 7 and Vista Once PMH at branding and preconditioning. They will be Bangs vaccinated prior to the sale.

**GUARANTEE:** The cattle sell as they are. This is what I expect and prefer when I buy livestock, and this is what I'm offering to you. Evaluate the risk and buy them for what they are worth. With that said, if there is something inherently wrong with one of them, let me know and we will attempt to make it right on a case-by-case basis.

**FOOD:** Ann will have coffee and rolls at the pens in the morning and will serve lunch at the fairgrounds.

**LIABILITY:** Anyone attending the sale does so at their own responsibility and risk, without liability on the part of the owners.

From our family to yours; welcome to our 2023 bull and female sale. Thank you for your interest and participation. Whether you are looking for the first time or you are a repeat customer, we appreciate you and are thankful for your consideration.

We've had a wonderful year in northwest Nebraska. After the worst winter anyone can remember, and a late spring, the rains finally came. With the rain came grass, and flies, but lots and lots of grass and hay. We are blessed and extremely thankful. I know that many of you, probably most of you, are still in drought at one level or another. We're hoping that all of cattle country can raise enough feed to participate in these excellent markets!

We've had so many good reports this year from customers and people that utilize our kind of cattle. From outstanding conception rates, even while neighboring herds struggled, to steers that topped the market for the entire nation in their weight range, to sales of bred females to happy, satisfied customers that wanted more. I'm sure our genetics don't deserve all the credit for these successes, but it has been encouraging and validates the selection criteria.

I know the selection criteria works! Putting functional reproductivity, through female conformation, back in over and over again, regardless of relationship, increases homozygosity, intensifies prepotency, and fixes a good type.

As a line-breeder, my customers' cattle are often better than mine. It's my job to test and purify the genetics through the fires of close breeding, which is essential for my knowledge and understanding of the genetic composition of the cattle in my herd. Linebred bulls unwind in your herds, restoring the goodness and even magnifying it, by the phenotypic enhancing power of outcrossing.

We look forward to hearing from and seeing many of you this time of year. You're welcome to come tour the cows and the ranch any time. Let us know how we can assist you.

John Dockweiler

Lot 226: Cow bull. He was a later calf, and I didn't catch a birthweight. I did give her a 4 out of 5 on udder quality and a 5 out of 5 on overall quality. S21 was a cow that carried on exceptionally well, and she shows up on both sides of this pedigree.

Lot 247: He should work on heifers, but his genomics have bumped him in to the "use caution" category. This bull was used on JAD heifers, and we have collected a little semen and intend to breed him to heifers next year. I love the bull; have since the day he was born. His full sister went to Hould Angus in MT through our sale last year. I expect him to be a health and udder improver. Certainly, a wider flight zone than our other bulls but can take pressure and respond appropriately.

Lot 248: ET calf out of our foundation cow who would be 33 years old in January. There is some size in the very top line of his pedigree. If you believe in the pedigree pen of cows selection criteria, like I do, this bull will likely have a lot of good in him.

## Open Heifers

We calve later than most so decided again to sell our first born 2023 heifer calves. This is a dispersion of these early heifers, nothing held back! They are uniform and very nice as a group, with pretty heads, good tops, and correct hips. They are all sired by bulls that we selected, bulls that we know something about, bulls that are the paternal counterpart to our preferred maternal conformational type.

They were weaned on October 15, 2023, and have been running out on a hayfield with grass hay and 2# of pellets. They have been hand fed and are gentle. They have been bangs vaccinated but have not been tattooed, so they don't have any permanent identification other than their bangs tag clips. Please take whatever steps you need to identify them in your herd.

<b>JAD SHONITA 119</b>	JAD Erica 2209
JAD Shonita S70	N Bar Emulation EXT
	Cole Creek Shonita 18N

BW	67
----	----

Lot 333: Her sire was used as a yearling and then sold to Russ Anderson of Hyannis, NE. Her dam is an excellent cow with a 5 for her udder score and a 5 for overall quality.

## JAD Miss Blackcap 338

<b>JAD ERICA 6114</b>	Shoshone Prudence 6157
JAD Erica 4035	JAD Erie YS21
	JAD Erica S41

BW	82
----	----

Lot 375: Dam is right at the top of our herd. She is excellent in every way. Her son sells as Lot #227. The sire of this heifer is about the coolest bull I've seen since Prudent Lad himself. His presence, movement, and quality are hard to look away from. Time will tell but if she had stayed here, 375 would interest me a great deal.

## JAD Kate 377

DOB: 04/28/23 • REG: 20776700

JAD Extra F3018	N Bar Extra B310 A144
<b>JAD EXTRA H6097</b>	JAD Erica S41

<b>JAD KATE 7016</b>	JAD Prudence 6111
JAD Kate 2539	JAD Lad S6306
	JAD Kate P05

BW	91
----	----

Lot 377: Here is a Kate heifer with a little more bone, substance, and performance. Her dam is good!

## JAD Erica 378

DOB: 04/28/23 • REG: 20776701

Cole Creek Black Seal 1132	Cole Creek Black Seal 230
<b>COLE CREEK BLACK SEAL 927</b>	Cole Creek 104 Juanada 35V
Cole Creek Juanada G28W	Cole Creek Juanada Lad 81T
	Cole Creek Juanada G132R
JAD Prudent Prince C986-6157	Shoshone Pivot 6159
<b>JAD ERICA 7043</b>	Shoshone Prudence 6157
JAD Erica 4035	JAD Erie YS21
	JAD Erica S41

BW	76
----	----

Lot 378: Dam is feminine and perfectly uddered. The Black Seal 927 daughters have been an excellent compliment to our cattle. I expect this outcross heifer to be productive and useful.

## JAD Colene 381

DOB: 04/25/23 • REG: 20776702

JAD Lad S6306	JAD Prudent Lad 6157
<b>JAD ENGLISH LAD HS41</b>	Shoshone Frances 6306
JAD Erica S41	JAD Prudent Lad 6157
	Shoshone Erica A344

<b>JAD COLENE 8007</b>	Dimond Ester 429-589
JAD Colene 2094	JAD Phriars W708-6157
	JAD Colene 4420

BW	86
----	----

Lot 381: Another English Lad daughter out of a bigger, higher-performing cow.

## JAD Prudence 387

DOB: 04/21/23 • REG: 20776703

JAD Prudent Lad 6157	Shoshone Lud 840
<b>JAD FX H7117</b>	Shoshone Prudence 6157
Shoshone Frances 6306	Shoshone Pivot 6159
	Shoshone Frances 6347
JAD Phriars W708-6157	Friars of Wye Umf 7996
<b>JAD PRUDENCE 8114</b>	Shoshone Prudence 6157
JAD Prudence 6087	JAD Esterago A3128
	JAD Prudence 4831

BW	76
----	----

Lot 387: With 375 and 387 together it would be two of our very best Phriars daughters, exceptional cows, mated to FX H7117. These are exciting heifers to me to see what they grow into.

## JAD Frances 389

DOB: 04/29/23 • REG: 20776704

Shoshone Fenley 6309A	Shoshone Eston 774
<b>JAD ERIGON F4941</b>	Shoshone Francis 6309A
JAD Erica 4941	JAD EX-US41
